This week the students are reflecting on the following questions:

Day 9	Who is someone you feel grateful for and why?
Day 10	What kind act will you do for somebody this week?
Day 11	What are 3 things that went well for you today?
Day 12	What are you most looking forward to about tomorrow?
Day 13	What did you love about today? Why did you love it?
Day 14	What were you most proud of this week?

Year 4 Project Penguin School Expo Day

Band Performance Night

We look forward to students in the Junior, Senior and Concert Bands performing at a Band Performance Night on Thursday 23 June at 6.30pm in our school hall.

Wellbeing Corner

Wellbeing Week allowed time for students, staff, families and our BHPS community to connect and reflect. We hope you enjoyed time to focus on your wellbeing and to check in with your family and those around you.

All students, from Kindergarten to Year 6 and staff have commenced our wellbeing goal, I will take the time to reflect on the positives in my day, for 21 days. Students and teachers have taken time at the end of each school day to answer simple questions. We have heard from many students that it has helped them to scan for positives. We encourage parents and carers to continue the conversation at home.

If you have missed a day or more please continue and simply catch up. You will still see the benefits of taking time to reflect on the positives from your day or recording things you are looking forward to. The benefits are having higher energy levels, feeling happier, becoming more enthusiastic, sleeping better and having higher levels of optimism.

Last week, buddy class picnics were a beautiful way to connect, have fun and bond. The smiles on student faces below reflects the quality time spent together at Tania Park. Our students were full of positive energy and enthusiasm to play and build relatedness with their buddies.

CANTEEN

Our sincere thanks to the parents of 1W students, who have been outstanding in volunteering at the canteen this week. We are very lucky and grateful to have you.

With the students finally able to enjoy a few weeks of PSSA on Friday, we'd just like to remind parents of a couple of things: please do not order toasties or poured drinks (milo or milk) for PSSA students (juices are ok to order). Do not order "canteen spending money" for lunch- PSSA students are not at school at lunchtime to spend it. Likewise, if you send your child to school with the expectation that they will "buy lunch" on Friday, please know that the students will not be able to do so, as they depart well before the canteen opens at lunchtime. To avoid disappointment, place an order through Flexischools.

A reminder also that if your child is unwell and you need to cancel an order on the day, you must call through to the canteen. A phone call will ensure it's done on time.

Operation Wattle Greenhouse

A huge thank you to our amazing Groundsman John and parent Ashlea Zivanovic for installing the new greenhouse in the Western Campus. It was a mammoth effort! This greenhouse will protect the Sunshine Wattle seedlings grown by our Year 3 children and is an amazing resource for the school and gardening club. Thank you to Zali Steggall for awarding a Federal Grant to help fund this and also thank you to everyone that has participated in the Recollect scheme that also contributed towards this initiative.

Trivia Night – WE NEED YOU!

We have a theme, decorations, trivia host, MC and product donations for our amazing Trivia Night on Saturday 30 July, but we are looking for an energetic and fun group of parents to help drive this event. You will be fully supported by the P&C and it is a really fun way to support the school and have a brilliant night. All funds raised will go towards our outdoor learning space.

Please ask around your class or group of friends and see if you can work together to volunteer! Email bhpspresident@gmail.com to find out more!

Partnership with Delidoor

Getting organised for the school holidays? Why not try out Delidoor. We have partnered with Delidoor, a local ready-to-eat meals delivery company that originated from the Northern Beaches. Under this exclusive partnership, BHPs families will receive a 30% discount on your first order with Delidoor using code BHP30 and then an ongoing 5% discount on your next orders using BHP5. Delidoor will contribute 5% of its sales from BHPs families to the P&C.

T&Cs: 30% discount is valid for a minimum of 80\$ purchase and only one per household. 5% discount is valid for any following orders made through Delidoor.com.au. Discount excludes delivery fees. A delivery fee of \$12 applies if net order value (ie after discount is applied) is less than \$120. Any order above \$120 will receive free delivery.

Bread Bags Recycling

BHPS is registered this year again for the Wonder Recycling Rewards program for schools. A collection box is outside the Office on the western campus, where you can deposit ALL soft plastic bread bags (not just Wonder branded bread bags), until 9th September. "The rule of thumb is that if it has contained bread of some sort and is a soft plastic – then it's a bread bag". Collections will be weighed and recycled into things like school benches, exercise circuits and bollards and BHPS will receive reward points, which will be converted into sports equipment for the school. Win-Win!

Volunteer Teachers Urgently Needed for Ethics Classes!

Our children live in an increasingly complex world and will face challenges and questions that we have not even begun to consider. It is a time of exciting and rapid change, with new information flooding in at a sometimes overwhelming rate. So how do we help our kids make sense of this exciting new world we live in? How can we help them to work out what is true and to make good decisions?

The Balgowlah Heights Public School Ethics program builds the critical reasoning ability of our students, helping them to think through different issues and identify strong and weak arguments. At BHPS, we have a strong ethics program, supported by a fantastic team of volunteer teachers including parents, grandparents and community volunteers.

In fact, the program is so popular that we are struggling to keep up with demand for classes, particularly for years 3, 4 and 5. Next term there will be over 70 children on waitlists. That's why we need you! We are looking for a number of new volunteer teachers to join the program as soon as possible. Teaching Ethics is a great way to get involved in the classroom and support the school. It could also help you to develop your own thinking, reasoning and facilitation skills.

Volunteers don't need previous teaching experience or a background in philosophy or ethics. If you can spare 30 minutes on a Tuesday morning (10:30-11:00am K-2 or 11:25-11:55am to 3-6), please get in touch. You receive full training and a fully prepared lesson each week.

If teaching ethics is a possibility for you, or someone you know (we'd love to hear from some grandparents!), please email bhps.ethics@gmail.com or call our Ethics Coordinator, Yasmina Ilic-Miloradovic on 0478 653 463.
